Ancestral Curse and Debts

Due to the bad placement or influence of some planets in a horoscope, a native is debited in many ways in life. This also effects the native's progress in life as the evil influence of such planet stops even the auspicious planets from exhibiting their good results on the life of the native. Hence persons with such horoscopes must always try to free themselves from ancestral debts, so that the planets may put forth their best results. By doing so, the native can lead a happy & prosperous life. The different types of debts and their reasons that can influence the life of a native are given below. Also given are the remedies for such situations.

Remedy

1. Collect money from family members and donate the collected amount to a temple.
2. Water a peepal tree regularly for 43 days.

Dharmi Teva

Some horoscopes are considered as Dharmi horoscopes in Lal-Kitab. According to Lal-kitab, Rahu, Ketu & Saturn are considered as malefic planets. Mars is also included in this group if it is showing negative results. In the Dharmi horoscopes, the negative affect of malefic planets gets reduced to a good extent.

If Jupiter is conjoined with Saturn in any house or if Saturn is posited in 11th house then the horoscope is known to be Dharmi. The combination of Jupiter and Saturn is capable of averting many adversities. Their placement especially in 6th, 9th, 11th or 12th house gives astonishing results. Such horoscopes are blessed with divine blessings. A horoscope also becomes Dharmi if Rahu or Ketu is posited in 4th house. The combination of Moon with Rahu or Ketu in any house of a horoscope also makes it a Dharmi Teva.

In Dharmi horoscope the native gets divine help in the time of crises. Since Saturn is considered to be the planet of judgement, its nature becomes soft and sympathetic towards the native because of its association with the planet of luck- Jupiter. Similarly, Rahu and Ketu (dragon's head & tail) are supposed to produce obstacles in the path of native. But they don't harm the native if they are posited in the 4th house or conjoined with moon in any house.

Result

Your Horoscope is non-Dharmi horoscope.

Semi - Blind (Night Blind) horoscope

According to Lal-Kitab, planets in some horoscopes don't show good results even though they are well placed. Such horoscopes are not favourable for professional success, mental peace or harmonious family life. These horoscopes can be compared to a person who is suffering from night blindness.

A horoscope is called as Semi-blind if it has Saturn in 7th house and sun in 4th house. In such condition, Saturn aspects sun by 10th aspect. The aspect of Saturn on sun is not considered to be auspicious moreover Saturn becomes powerful in 7th house thereby it spoils the result of 9th, 1st & 4th house, the

houses of luck, health & comforts respectively.

Hence in such conditions, the remedies of Sun will be of no use. In such cases, to terminate the ill effects of Saturn, one must always follow the only the remedies of Saturn.

Result

Your Horoscope is not night-blind horoscope.

Blind horoscope

In a horoscope, 10th house plays a very important role as this house is linked with the status, profession and favours from the superiors. From the health point of view, it is associated with Bones, Back, Knee joint & Kneecap.

In general, it is connected with Profession, Source of Livelihood, Business affairs, Profession, Position in life, Status, Political power & dominance. The diseases related to this house are Leprosy and Leucoderma.

If 10th house has inimical planets posited there or there is no planet at all in the 10th house, then the horoscope is called as a Blind horoscope even though the natural lord of 10th house Saturn, is well placed or exalted in the horoscope. For e.g. Moon & Ketu, Saturn & Sun, Sun & Rahu etc are inimical to each other. Their placement in the 10th house will spoil the beneficial results of the other planets.

Result

Your Horoscope is blind horoscope.

Minor Horoscope

According to Lal-Kitab, in certain conditions some horoscopes are considered as minor till 12 years of age. The fate of such horoscopes is unpredictable till 12 years. Such horoscopes carry the effect of the karmas of their previous birth. The effect of the planets in these horoscopes can be compared with the results achieved by a minor, as a minor is dependent on adults in the family & cannot achieve much on its own. Similarly the planets in Minor horoscopes cannot show their full potential even though they are well placed.

A horoscope is said to be a Minor one if 1st, 4th, 7th and 10th houses do not have any planet or only Saturn, Rahu or Ketu are placed there or there is only mercury placed in above mentioned houses.

According to Lal-Kitab, the native of a minor horoscope experiences the effects of each planet, every year, till 12 years of age as per the given table below. For e.g. in the 1st year, planets posited in the 7th house influence the native. In the 2nd year, planets in the 4th house play a major role on the destiny and so on. Hence, in order to counter the bad effects of these planets every year, natives must follow the remedies of the planets, which effect their life till 12 years of age.

Result

Your Horoscope is not Minor horoscope.

There are various kinds of Yogas in a horoscope and all these yogas give rise to different kinds of results. There are both auspicious & inauspicious yogas in a horoscope. The auspicious ones produce good results whereas the inauspicious ones produce bad results. Of the various inauspicious yogas, one of them is Kalsarpa Yog. In a horoscope, when all the planets are placed in-between Rahu & Ketu, then it is called a Kalsarpa Yog. We may not find a detailed description of this yoga in the ancient astrology literatures, but we definitely cannot ignore it as well.

Even renowned ancient astrologers like Maharishi Garg, Parashar, Bhrigu, Varha Mihir etc have acknowledged Kalsarpa Yog. The ancient people have given special importance to Kalsarpa Yog. They have regarded Rahu-Ketu as Karmic planets, Rahu as the dragon's head & Ketu as the dragon's tail. Nobody has spoken about the good results of this Yoga. Rahu & Ketu are both shadowy planets and have no physical bodies, yet they are such inauspicious that the formation of Kalsarpa Yog due to these planets is known to give out bad results.

Your horoscope is free from Kal Sarpa Yog.

The transit of Saturn into the zodiac sign from the house in which planet Moon is located at the time of your birth is known as Saade Saati of Saturn. The Saade Saati of Saturn has three phases: The transit of Saturn into twelfth house from Zodiac sign of birth is called the first phase. The transit into the birth sign is the second phase. The transit into the second sign from the birth sign is the third phase. As Saturn remains for two and half year in each phase that is why it is called Saade Saati. The seven and half years are never always unlucky only. The favourableness and unfavourableness of Saturn depends upon its relations (friendly/enemy/neutral) with the ruler of that particular house and according to the ownership of Saturn in the house of birth sign.

Manglik Considerations

◀ ▶ Page 1 of 2

The 1st house of your horoscope is occupied by Mars, due to which you are a Manglik. This position of Mars shows that, you will be sharp minded and possess a good health. During your childhood, you may normally be troubled with problems concerning stomach and teeth. You should be careful towards problems related to blood and acidity in your life. But these problems will not have much affect on your health. You will gain victory in every work through your courage. The position of Mars in the 1st house of your horoscope shows that there may be some delay in your marriage. The reason for the delay can also be that you may not find a life partner as per your wish and thoughts. After your marriage, the health of your spouse will remain good and you lead a happy married life.

The position of Mars in the 1st house of your horoscope aspects the 4th, 7th and 8th house of your horoscope. With the aspect of Mars on the 4th house of your horoscope, you may have to work harder than in normal circumstances, to gain pleasures in life. You have the chances of acquiring land and vehicle in your life. The aspect of Mars on the 7th house of your horoscope shows that there are chances of your spouse falling ill sometimes. But this will not affect your married life much. Due to the aspect of Mars on the 8th house of your horoscope, you may have to struggle a bit in your life. You will successfully curb every forth-coming difficulty in your life with courage. You may be troubled with acidity and blood related problems in your life, but these problems will not have much affect on your health.

To minimise the malefic effects of Mars on your married life, and as a remedial measure, you should marry only a Manglik. By doing so, it will neutralise each other's Manglik effects. To cancel the manglik effects, Saturn or Rahu should be situated in any one house among the 1st, 4th, 7th, 8th and 12th house, in the horoscope your spouse. If the Manglik effects of both male and female are nullified in this manner, then you can lead a happy married life. Your health will
